**Thank all the parents that were there helping us!**

The Equipment truck will be packed at the game for tomorrow's contest. Do not change! Band Room to watch the performance.

Stay in uniform until we watch the half time video: **Watch the Video:** Set our minds on making it better!!!!

**Pack instruments and uniforms.** You have to hand your uniform to a uniform person to be checked. You cannot leave until they dismiss you by telling you that you did it correctly.

We cannot give you an ETA to release the kids to go home as we are not able to know when the game will end. We generally have 45 mins – 1 hour after the game has ended to take the equipment back, pack, review the half time video and change out of uniforms. As this is our first game we appreciate your patience while our new kids learn our process.

**Go Home.** Celebrate. GO HOME and Sleep. Do Not go out with friends or others if you want us to have success tomorrow!

We will have a great show at NAU if you do the right things! Be the strongest link in our chain!
