Stay in uniform until we watch the half time video: **Watch the Video:** Set our minds on making it better!!!!

Pack instruments and uniforms. You have to hand your uniform to a uniform person to be checked. You cannot leave until they dismiss you by telling you that you did it correctly.

We cannot give you an ETA to release the kids to go home as we are not able to know when the game will end. We generally have 45 mins – 1 hour after the game has ended to take the equipment back, pack, review the half time video and change out of uniforms. As this is our first game we appreciate your patience while our new kids learn our process.

Go Home. Celebrate. Sleep in on Saturday. Don't forget the Call time for the Basha Contest!!!
