**SPECTATOR PARKING**  
West Parking Lot  
[Google Maps Link](#)

**EQUIPMENT UNLOADING**  
Large Trailers and Semis may park and unload in the bus lane south of the gym. Smaller equipment vehicles should park in the lot west of campus.

**TRANSITIONS & FLOOR FOLDING**  
At the of end of each performance, pull floors to the back of the gym and half them as if it were a horizontal timeline. Stack floors at the rear of the gym, and return equipment to the Small Gym. As this occurs, the next group will transit to the Small Gym to prepare their performance. Following the end of the event, performers will help fold all floors in the gym space.

**BUS PARKING**  
Buses should enter campus from E Queen Creek Rd at the parking lot entrance between Key Biscayne and Perry Puma Dr. Park in the Southeast corner of this lot, near the gym.

**WARMUP**  
The courtyard area is open for warmup (see map). Please stay out of walkways as other groups will be moving around campus. Near the end of warmup, store all equipment in the Small Gym.
