Hamilton Marching Band Financial Agreement (2023-2024)

The Hamilton Marching Band is not fully funded by the Chandler Public School District. Therefore, every student who participates helps offset the cost of the Marching Band program. The participation (Marching Band Fee) cost for this season is \$500. This amount does not include the required band camp or the purchase of ancillary uniform items ie: Travel jacket, black socks, shorts, gloves, etc. (items needing to be purchased.)

Tax Credits: you may potentially use the Arizona State Tax Credit money to pay for the (Marching Band Class Fee -\$500) via the Extracurricular Activity (ECA) program. Please go to the Band's web site to read more about the Tax Credit program. When making an ECA payment be sure to forward a copy of your tax Credit receipt to the band director to help make sure your student's account is properly credited. The tax credit allows for family members, friends, and others to give the credit toward your child's fees. Please remember the ECA can only be used for the "Band Class Fee -\$500".

If you are unable to meet these financial requirements, contact the band director to discuss alternative options. Don't forget to see the front office for the form when you have more than one student participating in school activities.

Refunds: A Marching Band student who withdraws or is dismissed after making the Band Fees payment to the bookstore or booster parent fees, students that are not allowed to participate due to ineligibility, or students who leave due to personal choices, will NOT receive a refund. We amortize the cost of events based on the total number of students. Therefore, the money has been allocated and cannot be refunded. The bookstore cannot refund the fees once they are paid.

I have read, understand, and agree to the obligations described herein.
