Hamilton Marching Band Travel/Parent Permission Form For the School Year June 1, 2023 – May 31, 2024

This permission form is intended for the purpose of parents(s)/guardian(s) offering collective permission for their children to participate in all the Hamilton High School Band events/activities. These events/activities are commonly listed on the Band web site and printed in the “Band” calendar. The week of an event, an itinerary explaining specific event schedules will be given to the student to be taken home to their parent in an effort to be sure parents and students are informed of weekly trips and activities.

The purpose of the travel/activity of any specific event is described on the Band web site and listed on the monthly calendars. All events that require travel will be provided by the district via bus transportation and the expectation is that all students will use the transportation provided by the district. Students are never permitted to drive themselves or other students to band events/activities due to liability and legal issues. We need 100% of the students to travel as a team together with the directors and chaperones. Students are required to be at all activities from the beginning to the end as the team needs to experience events as a total group together.
