

Band Booster Membership Form

The Hamilton High School Band Boosters Organization is established to provide moral, physical and financial support to approved curricular and extra-curricular instrumental music related activities; to encourage growth of band related activities; to enhance school spirit; and to provide a means for actively involving the band community and extending the level of participation in planning and implementing band activities.

Your dedication and caring for our children make the boosters possible. Please fill out the information below to be added to the booster membership roster and up to date on communications and events. Together we will make this one of the best years yet.

This form can be submitted to the Band Directors or you can email this information to huskiesbandboosters@gmail.com
